To enable Hospital Plan Insurance Services to assess your claim, it may be necessary to obtain medical evidence. Any reports which are requested from your doctors are subject to the Acts. (Please note that Reports requested from Doctors appointed by Hospital Plan Insurance Services are not subject to the Acts). In summary your statutory rights are as follows:

1. A medical report cannot be requested from any doctor who has attended to you without your written authority.
2. You do not have to give your consent. If you do consent, you can say whether you wish to see the report before it is supplied. If you do not give consent we may be unable to proceed with your claim.
3. If you say you wish to see the report, we will write to your doctor and tell them and advise you that we have done so. You will then have 21 days from the date of notification to contact the doctor to make arrangements for you to see the report.
4. The medical practitioner will be informed that you wish to have access to the report and will allow 21 days from the date of the notification for you to see and approve it before it is supplied to us. If the medical practitioner has not heard from you in writing within 21 days of the application being made, he/she will assume that you do not wish to see the report and that you consent to it being supplied.
5. If you say that you do not wish to see the report before it is sent to us, we do not need to notify you if we apply for one.
6. Whether or not you say you wish to see the report before it is sent to us, you may ask your doctor to show you a copy of the report for up to six months after it is supplied. The practitioner may charge a reasonable fee for the cost of supplying a report.
7. If you see a report before it is sent to us, the doctor cannot submit it until you give your consent. You can write to the doctor, asking that any part of the report which you consider to be incorrect or misleading be amended and to have attached to the report a statement of your views on any part where you and the doctor are not in agreement.
8. The doctor is not obliged to let you see any part of the report if;
 - a. In his/her opinion it would be likely to cause serious harm to your physical or mental health, or that of others.
 - b. It would indicate the doctor's intentions towards you.
 - c. Disclosure would be likely to reveal information relating to, or the identity of, someone else that has supplied information about you, unless that person has consented.

I hereby authorise any physician or other person who has attended or examined me to furnish the Company or its authorised representative with any and all information with respect to any illness, sickness or injury, medical history, consultation, prescriptions or treatment and copies of all Hospital or medical records.

I do do not wish to see a copy of the medical report before it is sent to the Company (please tick).

A photocopy of this authorisation shall be considered as effective and valid as the original.
